

Natural Way Minerals®

Harmonizing with Nature

# Improve Your Horse's Overall Health

## Natural Way Minerals has a Wide Variety of Equine Products.

With products such as Hy-Brix Equine Daily or Knock Out Equine, your horse is covered from hoof to mane. Mineral complexes are a beneficial tool in dealing with a horse's ailments. These clay based minerals increase nutrient availability, leading to better overall health.

## Natural Immune Boosters

### Vita-Min Liq Equine

Rebuilds cells. Use for quick results in blood circulation. Great for reproduction, body condition, founder, joints, energy, fever, sickness, or when your horse is not eating well.

### Knock Out Equine

Detoxes cells. This detoxer is loaded with probiotics, and contains dried colostrum. Use for colic, sickness, ulcers, bellyache when deworming, or to remove mold or any toxins.
