

**Pure & Honest.** Non-GMO, whole grains are Avena's quality protein source. Formulated with Natural Way Minerals to improve digestion and increase feed efficiency, the whole grains are easily converted to growth and energy.

Avena feeds are made from only premium Non-GMO ingredients without fillers, byproducts, or medications. We work closely with independent nutrition specialists to formulate feeds that help your animals achieve more with less feed.

## Whole Grain, No Heat Formula

**AVENA ORIGINAL HORSE FEED** Tested and Proven. Our original recipe is a proven performer. This feed is fortified with naturally mined minerals (NWM) that have improved the overall health of many top performing horses. It is a complete, balanced feed for improved gut health, better haircoat, more energy, natural parasite removal, and the elimination of harmful toxins.

### Features

- Ultimate blend for energy
- Improves overall health
- Natural parasite & toxin removal
- Contains whole roasted soybeans

### Feeding Directions

Feed 3-4 lbs. morning and evening for a 1200 pound horse, with quality hay, water, and salt. Store in a dry place.

**12% protein | 8% fat | 50 lb bag**

**AVENA NO CORN HORSE FEED** is the same recipe as our proven Avena Horse Feed but without the corn. No corn equals less starch, which means less sweat and less heat in your horse. A great summer or calm energy blend. Like the original recipe, using only the best ingredients, this complete feed is fortified with trace minerals that have improved the overall health of many horses. With all the same benefits.
